PAINT FURNITURE TO LOOK LIKE A PIECE OF ART

Before class: Wash your piece (small table, stool, bench or chair that is in good repair; painted/varnished or not; either wood or metal is okay) with ammonia water and a bit of dish soap. Scrub and lightly sand. If the piece is varnished, you need to coat with a stain blocker like Kilz or B-I-N - Brush on or spray. Basecoat the piece with acrylic or latex paint (eggshell or satin finish).

WEEK #1 We will discuss possible designs for each student's piece and start the project. Demo included.

WEEK #2 Continue working on pieces. More demos as needed.

WEEK #3 Finish piece and varnish.

TOOLS & SUPPLIES: BRUSHES: VARIOUS SIZES, something suitable for acrylic and latex paints. PALETTE: a plastic plate will work; PAPER TOWELS or soft rags; WATER CONTAINER; MASKING TAPE; ACRYLIC CRAFT PAINT; STENCILS AND STAMPS (we will make some stamps in class).
