Colored pencil offers the pleasures and rewards of both drawing and painting. Whatever other medium you enjoy, you'll find colored pencil a worthwhile addition to your repertoire. Beginners can start drawing confidently and more experienced artists can hone existing skills with this class. Students will learn basic techniques and put them into practice with a morning lesson in drawing glass marbles and an afternoon session on animals.

Becky Kinloch graduated from college with a degree in art education and ceramics and spent thirty-eight years teaching art in Papillion, NE. In retirement, she continues to learn and explore the endless variety of media, styles and techniques and says "Art is everywhere and sharing my knowledge is awesome".
